Why go anywhere else when you can get home-made (and fresh) pasta, sauces, bread, meats and cheese all in one place. Staff are always in great attitude and ready to help.

Sandwich - basically build your own by choosing your own deli meats, cheese, and other ingredients. Delicious and fairly priced (around \$7 with 3 deli meats, cheese and pesto sauce).

All of your reviews are spot on! I can't believe how accurate your description of the new Alamo Drafthouse is. All I can say is that I will definitely be seeing all of this summer's blockbusters...
